SUBJECT : Commendation  
TO : All PNP Personnel

1. I am very pleased to commend you for a job well done in helping ensure the holding of an honest, orderly, peaceful, and credible National and Local Elections on May 10, 2010.
2. The past electoral exercise will be remembered in the history of our nation as the most peaceful and orderly political proceedings ever held in our land. It was a threshold in Philippine democracy and the first automated elections in Asia.
3. Through your selfless dedication and devotion to duty, the PNP was able to accomplish its mission and objective in maintaining a generally peaceful and orderly election. The strict implementation of the nationwide gun ban and the establishment of COMELEC, PNP and AFP checkpoints in strategic areas all over the country resulted to the confiscation of large number of loose and unlicensed firearms, explosive devices and bladed weapons impaired the commission of crimes. The relentless campaign against partisan armed groups and the neutralization of some of their members greatly contributed to the peaceful electoral atmosphere and significantly reduced election-related violent incidents. The successful partnership, support and cooperation of government and non-government agencies, the religious sectors and other stakeholders made a strong united front in the vision of H.O.P.E. 2010..
4. The supreme sacrifices offered and given above your personal convenience enabled each and every Filipino to freely exercise their constitutional right to suffrage. You have shown once again that the Philippine National Police can remain steadfast and is an indispensable partner of the community in nation building as well as in the establishment of a strong democracy.
5. May your success in the recently concluded political exercise further inspire and motivate you more to unite and work towards peace, progress, development and prosperity. This achievement is a transformational milestone which the PNP can be proud of.
6. Congratulations and keep up the good work.
7. This commendation shall form part of your 201 Personnel File.

TO : All PNP Personnel

1. I am very pleased to commend you for a job well done in helping ensure the holding of an honest, orderly, peaceful, and credible National and Local Elections on May 10, 2010.

2. The past electoral exercise will be remembered in the history of our nation as the most peaceful and orderly political proceedings ever held in our land. It was a threshold in Philippine democracy and the first automated elections in Asia.

3. Through your selfless dedication, and devotion to duty, the PNP was able to accomplish its mission and objective in maintaining a generally peaceful and orderly election. The strict implementation of the nationwide gun ban and the establishment of COMELEC, PNP and AFP checkpoints in strategic areas all over the country resulted to the confiscation of large number of loose and unlicensed firearms, explosive devices and bladed weapons impaired the commission of crimes. The relentless campaign against partisan armed groups and the neutralization of some of their members greatly contributed to the peaceful electoral atmosphere and significantly reduced election-related violent incidents. The successful partnership, support and cooperation of government and non-government agencies, the religious sectors and other stakeholders made a strong united front in the vision of H.O.P.E. 2010..

4. The supreme sacrifices offered and given above your personal convenience enabled each and every Filipino to freely exercise their constitutional right to suffrage. You have shown once again that the Philippine National Police can remain steadfast and is an indispensable partner of the community in nation building as well as in the establishment of a strong democracy.

5. May your success in the recently concluded political exercise further inspire and motivate you more to unite and work towards peace, progress, development and prosperity. This achievement is a transformational milestone which the PNP can be proud of.

6. Congratulations and keep up the good work.
